PREMIER HTS 800

ILS3 200.00

The bloodlines of the HTS 800 and HTS 400 can be traced back across the decades with an impeccable championship winning pedigree and a spirit that harkens back hundreds of years. To create the latest incarnation of the HTS pipe band drum Premier has taken the proven DNA of its predecessors and engineered further improvement in operation, performance and design and once again achieved new standards in sound and build quality. No other pipe band drum delivers the dynamic clarity, precise articulation, clear projection and full tone of the HTS 800 and HTS 400 that in your hands are proud additions to the family and will carry the Premier name and the names of future champions to victory for years to come.
